Effective: February 4, 2015

Number 413

SUMMARY OF UPDATES

Web flow sheets are now available in QE2.

VRIS POSTING

None

FORMS REVISED/NEW

Flow sheets in QE2 are also available in a Web format.

QE2 UPDATE

Web Flow Sheets: Available under the Reports button – Web Based Flow Sheet

1. Web Flow Sheets allow you to select the client's name to take you into the client's record. Selecting the back arrow will take you back to the Web Flow Sheet.
2. When using the Web Flow Sheets on your iPad you must select your Team name twice to get the correct list of Staff Members.

MONITORING REQUIREMENTS

None

TEAM COMMUNICATION

Discuss at Team Meetings.
